

# MATH REQUIREMENTS BY MAJOR

Updated 10/14/2014

All students need at least one Q course with a C- or better and one additional M course

To stay on track & on time in their major they should successfully complete their math requirement by...

	Major	Needed MP	Math Requirement	Time Constraints	Minor MP Level (if different than Major)	
	American Studies	22	None			
	Art	22	None			
*	Biochemistry/Molecular Biology	24/25	Math 201+	Sophomore Year		
*	Biology (Areas of Concentration)				22	@
	Engineering	24/25	Math 201+	Freshman Year		
	Marine Science	22 or More	Depends on Concentration			
	Pre-Health	23 or More	Depends on Concentration			
	Business Department				22	
*	Accounting	22		Freshman or Sophomore Year		
*	Entrepreneurship	22	BUSN 210Q (Statistics)	Freshman or Sophomore Year		
* #	Finance	25	Math 131	Freshman or Sophomore Year		
*	Management	22	BUSN 210Q (Statistics)	Freshman or Sophomore Year		
*	Marketing	22	BUSN 210Q (Statistics)	Freshman or Sophomore Year		
*	Chemistry	24/25	Math 201+	First Term Sophomore Year	24	
	Communication	22	None			
*	Computer Science	24/25	Math 201+	Freshman Year		
	East Asian Studies	22	None			
* #	Economics	24/25	Math 131	Sophomore Year	22	
* @	Education	22	Math 118/119	Freshman or Sophomore Year		
	English	22	None			
	Environmental Studies (Minor Only)	22 or More	Depends on Concentration	Sophomore Year		
*	Geography	23	Statistics	Junior Year	22	
*	Geology (B.S.)	24/25	Math 127 and Higher	Sophomore Year	22	@
	Global Studies (Minor Only)	22	None			
	History	22	None			
	Languages (French, German, Spanish)	22	None			
*	Mathematics	24/25	Math 201+	Freshman Year		
	Music	22	None			
	Neuroscience (Minor Only)	23/24/25 &	Statistics			
	Organizational Leadership	22	None			
	Philosophy	22	None			
*	Physics	24/25	Math 201+	Freshman Year		
*	Political Science	23	Statistics	Sophomore Year	22	
	Psychology	23	Statistics	Sophomore Year		
	Religion	22	None			
	Russian Area Studies	22	None			
*	Sociology	23	Statistics		22	
	Sports Management	23	Statistics			
	Theater & Dance	22	None			
	Urban Studies (Minor Only)	22	None			
	Women's Studies (Minor Only)	22	None			

\* Will have an M course within their major, so they don't have to take an elective M.

# If they're planning on going to graduate school, take Math 201 and 202.

@ May need a higher placement depending on the area of concentration.

& Depending on chosen electives, could need a 24 or higher. Minimum for this minor is a 23 as statistics is required.
