INTRODUCTION

December, 2013

Graduates of the Class of 2012 were surveyed one year after graduation to allow for voluntary delays in obtaining employment as well as for the job shifting that tend to occur in the year following graduation.

In keeping with the high placement rates of past Wittenberg University graduates, the Class of 2012 had an overall placement rate of 97.6% as defined by the number of those working full-time, enrolled in a post-baccalaureate program, or voluntarily unemployed. Additional report highlights include 93.1% indicated they were *very satisfied* or *satisfied* with their career status and 73.8% (of those responding to the question) reported completing a field experience beyond the required Community Service requirement.

This report would not have been possible without the assistance of 1) the academic departments that shared data on the graduates who did not respond to our survey, 2) the Computing Center for assistance with getting the placement survey on line, and 3) Teresa Cantrell, Career Services Administrative Assistant, whose diligence made this survey a reality.

Career Services welcomes your response to this report and hopes you find the information both interesting and informative.

Sincerely,

Wendy S. Smiseck
Director, Career Services

Appendix: Career Status Survey

Dear 2011/2012 Graduate,

It is hard to believe that it has been a year since the Class of 2012 became Wittenberg alumni! This short survey asks questions about what you have been doing this past year in terms of employment and/or continuing your education. It will only take a few minutes to complete. You may have completed a similar questionnaire shortly after graduation, but the following survey is very important because the standard time line used by universities to collect career status data is one year after graduation.

We would like all surveys completed and returned by **Friday July 12, 2013**.

We greatly appreciate your assistance! If you have questions, please contact us at 937-327-7521 or careers@wittenberg.edu.

Sincerely,

Career Services
