## INTRODUCTION

November, 2015

Graduates of the Class of 2014 were surveyed one year after graduation to allow for voluntary delays in obtaining employment as well as for the job shifting that tend to occur in the year following graduation.

In keeping with the high placement rates of past Wittenberg University graduates, for the Class of 2014 we have an overall knowledge rate of 94.0% as defined by the number of those working full-time, enrolled in a post-baccalaureate program, or voluntarily unemployed. Additional report highlights include 87.9% indicated they were *very satisfied* or *satisfied* with their career status and 73.7% (of those responding to the question) reported completing a field experience beyond the required Community Service requirement.

This report would not have been possible without the assistance of 1) the academic departments that shared data on the graduates who did not respond to our survey, and 2) Teresa Cantrell, Career Services Administrative Assistant, whose diligence made this survey a reality.

Career Services welcomes your response to this report and hopes you find the information both interesting and informative.

Sincerely,

Wendy S. Smiseck  
Director, Career Services

## **Appendix: Career Status Survey**

Dear 2013/2014 Graduate,

It is hard to believe that it has been a year since the Class of 2014 became Wittenberg alumni! This short survey asks questions about what you have been doing this past year in terms of employment and/or continuing your education. It will only take a few minutes to complete. You may have completed a similar questionnaire shortly after graduation, but the following survey is very important because the standard time line used by universities to collect career status data is one year after graduation.

Please return this questionnaire in the enclosed postage paid envelope by **Friday, July 10, 2015**.

We greatly appreciate your assistance! If you have questions, please contact us at 937-327-7521 or [careers@wittenberg.edu](mailto:careers@wittenberg.edu).

Sincerely,

Career Services
