# **A Celebration of Learning**

April 7, 2017

# WELCOME MESSAGE

On behalf of the Wittenberg Community, we welcome you to Wittenberg’s fifth annual Liberal Arts in Action: A Celebration of Learning. This is a day dedicated to celebrating student achievement. As you will see, there are over 150 students presenting their work and experiences throughout the day.

Students participating in the Celebration of Learning were selected by their departments to showcase their work. They represent the very best that Wittenberg has to offer. We congratulate them on being selected and want to pass on our thanks for their hard work and participation in the program.

Special thanks to all the faculty chairs of the Celebration of Learning panels. We would also like to thank Chenise Gibson, Student Coordinator for the Celebration of Learning, for her invaluable assistance, as well as *the performance emcees*, Elizabeth Howe, Cathie Kuss and Jon Duraj, and the Liberal Arts in Action Committee for their help and participation in the Celebration of Learning.

We invite you to join us in celebrating our students’ achievements!

Cordially,  
Amy Livingstone, History and Director of the University Honors Program
