Kappa Delta Pi

Kappa Delta Pi (KDPi) is the Education Honorary committed to sustaining an honored community of diverse educators by promoting excellence and advancing scholarship, leadership, and service. Initiation for KDPi was held in the Fall 2015 semester. Advisor for 2015-2016, Amy McGuffey, would like the Education department to join them in congratulating this year’s officers and new members.

WUSEA visits ARK! Volunteers from the Wittenberg University Student Education Association (WUSEA) participated in a community service project at the ARK, an after-school program sponsored by the Children’s Rescue Center. The university students and neighborhood children had fun with a variety of activities, which included making various Halloween themed crafts (seen in the photo to the right).

WUSEA is an organization whose goal is to foster relationships between education majors/minors as well as with the faculty and staff through building relationships with the community, engagement in professional development, and community service. Dr. Roberta Linder, Club Advisor

Farewell Dr. Broidy

Dr. Stefan Broidy was a Professor of Educational Foundations at Missouri State University for 27 years and served as Chairperson of the University Faculty Senate and as a Department Head. He retired from MSU in 2001, and joined the Wittenberg faculty that same year.

Dr. Broidy has been a member of the Wittenberg staff for 15 years as a professor. He has chosen to retire after the Fall of 2015. He says that what he'll miss most is the students and all of his colleagues.

Thank you for all you've done. You will be missed.
