

Political Science Colloquium

“The Process of Creating CHIP and Health Care Today”

Presented by
Allen Kukovich, J.D.

Allen Kukovich, J.D., has spent more than three decades in public service. He served in the Pennsylvania General Assembly for 27 years then became involved in economic development initiatives. He may also be related to one of our seniors.

Monday, April 17, 2017
5:00 p.m.
Bayley Auditorium

- *Poli Sci Majors are required to attend all colloquia unless excused by Dr. Rhine (srhine) prior to the colloquium;*
- *A one-page reaction paper is due within one week which will also indicate your attendance, and should be submitted by email attachment to Mrs. Fagan (bfagan).*
