

# New Options for the B.A. Program in Mathematics

We recently restructured the math major to help you create an individualized program tailored to your needs. By choosing one of the three tracks below you can better focus your studies to prepare for the careers or graduate programs that interest you, and the program you create will afford you recognition for your emphasis within the department.

Core Requirements

201, 202, 205, 210, 227, Comp 150

Track

MATHEMATICS

APPLIED MATH

STATISTICS

Track Requirements

2 of  
 ▪ 360  
 ▪ 365  
 ▪ 370

215  
 260  
 1 of  
 ▪ 320  
 ▪ 345

228  
 2 of
