I. PERSONAL DATA

Cherie R. Rebar, PhD, MBA, RN, COI

Professor of Nursing, Wittenberg University
Date of Rank: August 2016 (Professor)
Date of Initial Appointment: Fixed Term Position August 2016
Fields of Specialization: Nursing Education, Informatics, Leadership, Research

Professor of Nursing, Kettering College
Date of Rank: May 2012 (Professor); May 2008 (Assoc. Professor); May 2005 (Asst. Professor)
Immediate Past Director, Division of Nursing, Kettering College
Immediate Past Chair, Prelicensure Nursing Programs
Date of Leadership: May 2013 (Director); September 2009 (Assoc. Director); July 2007 (Chair)
Date of Initial Appointment: Fixed Term Position May 2005
Fields of Specialization: Nursing Education, Leadership, Psychiatric-Mental Health Nursing

Education

2010	Northcentral University Doctor of Philosophy (PhD); Psychology Specialization: Behavioral Medicine
2006	University of Massachusetts Boston Post-Masters Certificate Major: Family Nurse Practitioner (FNP) Focus: Populations (infants, teens, adults, seniors)
2005	University of Phoenix Master Degree in Nursing (MSN)
2004	University of Phoenix Master of Business Administration (MBA) Major: Health Care Administration
1998	Clayton College Naturopathic Doctorate (ND)
1995	Kettering College Associate Degree Major: Nursing
1988	Morehead State University Bachelor's Degree Major: Music Education

Licensure

2011	Kentucky Board of Nursing (RN; Inactive status, not practicing in state)
1995 to Present	Ohio Board of Nursing (RN: Active)
2001 to 2006	Illinois Board of Nursing (RN: Inactive status due to move)
1998 to 2001	Pennsylvania Board of Nursing (RN: Inactive status due to move)

Certification

2012	Certified Online Instructor (COI) The Learning Resources Network (LERN)
1998-Present	Naturopathic Medicine Certification American Naturopathic Medical Certification & Accreditation Board
1991-Present	Basic Life Support Health Care Provider American Heart Association

Administrative and Teaching Experience

May 2013 – May 2015	Director, Division of Nursing: Appointment 05/13 Chair, Prelicensure Nursing Programs: Appointment 05/13 <i>(Continuation of prior prelicensure Chair role)</i> Kettering College
January 2013 – Present	Research Advisor, Masters of Science in Nursing students Indiana Wesleyan University
May 2012 – Present	Professor: Appointed 5/12 Kettering College
May 2007 – May 2013	Associate Director, Division of Nursing: Appointed 09/09 Chair, RN-to-BSN program: Appointed 05/09 Associate Professor: Appointed 05/08 Chair, ASN program: Appointed 07/07 Kettering College
September 2006 – 2010	Affiliate Faculty: Appointed 01/08 Adjunct Faculty: Appointed 09/06 RNBSN Program & Graduate Nursing Program Indiana Wesleyan University
May 2005 – May 2007	Assistant Professor of Nursing: Appointed 05/05 Kettering College

Professional Experience

2016-Present – Professor, Division of Nursing – Wittenberg University Duties: Depending on semester, teaching responsibilities include various courses in the BSN Pathway and BSN Completion programs.

2016 – Consultant, Xavier University School of Nursing – Xavier University Duties: Assist with creation of an Introduction to Course Design online class for nursing faculty who will teach in the online environment; transition courses in the RN-to-MSN program from hybrid platform to online using Canvas Learning Management System; assist with development of Accelerated BSN course development and loading into Canvas Learning Management System.

2012 (appointment)-2016 – Professor, Division of Nursing – Kettering College Duties: Depending on semester, teaching responsibilities include NRSB 301, Wellness and Health Promotion (BSN); NRSB 326, Issues & Trends in Nursing (BSN); NRSB 355, The Role of the Professional Nurse in Health Promotion (BSN); NRSB 419, Community Health (BSN); NRSB 331, Psychiatric Mental Health Nursing (BSN); HESC 310, Health Policy and Finance for Bachelor of Science in Health Sciences program (BSHS); HESC 330, Community Health for Bachelor of Science in Health Sciences program (BSHS); HEPR 415, Health Care Informatics for Health Care Professionals (BSHS); and/or PHAS 508, Evidence-Based Medicine for Masters of Science, Physician Assistant studies program (MPAS). Active member of Nursing Faculty/Curriculum Committee, Program Evaluation Committee, Events Committee, Faculty Forum and Online Learning Committee.

2013-2015– Director, Division of Nursing; Chair, Prelicensure Nursing Programs – Kettering College Duties: Chairs Prelicensure Nursing Programs. Completed feasibility study for BSN-to-DNP program (approved by Kettering College Board of Directors). Supervises Associate Director of Nursing & Chair of BSN-Completion program, BSN-Prelicensure program coordinator, all full time nursing faculty, and office assistants. Provides direction for student body of ~ 300 students. Leads Nursing Division by planning, thinking, acting, and communicating strategically with vision towards the future of nursing education; conducts day-to-day operations; effectively facilitates processes associated with curricular revision, implementation, and evaluation; in conjunction with Associate Director of Nursing and Dean for Assessment & Student Learning, fosters and maintains atmosphere of "survey-readiness" via program evaluation process. Teaches NRSB 331, Psychiatric-Mental Health Nursing (BSN-Prelicensure program) and PHAS 508, Evidence-Based Medicine, in Masters of Science, Physician Assistant studies program (MPAS). Active member of Nursing Faculty/Curriculum Committee (chair), Program Evaluation Committee, Events Committee, Faculty Forum, Open Pathways subcommittees, and Online Learning Committee.

2013-Present – Research Advisor for Masters of Science in Nursing (MSN) students – Indiana Wesleyan University Duties: Oversees and advises MSN students' capstone research studies.

2007-2013 – Associate Director, Division of Nursing; Chair, AS and BSN Nursing Programs; Associate Professor (2008), Professor (2012) – Kettering College Duties: Responsible for AS (2007), BSN-prelicensure (2011), and BSN-completion (2009) nursing programs, Assistant Director of Nursing, full time faculty, and student body of ~ 300 students. Thinks, acts, and communicates strategically to conduct day-to-day operations within department, including evaluations, budget, curriculum development, and student liaison. Active member of Nursing Faculty/Curriculum Committee (chair), Program Evaluation Committee, Events Committee, Faculty Forum, AQIP subcommittees, and Collegiate Life (vice-chair). Former member of Kettering College Council (rotates every 2 years).

2005-2007 – Assistant Professor, Division of Nursing – Kettering College Duties: Depending on semester, teaching responsibilities have included NRSA110, Foundations (Fundamentals) of Nursing (AS); NRSA348, Issues & Trends in Nursing (BSN); NRSA426, Informatics (BSN); NUTR118, Basic Nutrition (AS); HEPR330, Community Health for Bachelor of Science in Health Sciences program (BSHS); HEPR415, Health Care Informatics for Health Care Professionals (BSHS); and/or PHAS508, Evidence-Based Medicine for Masters of Science, Physician Assistant studies program (MPAS). Active member of Nursing Faculty/Curriculum Committee, Program Evaluation Committee, Events Committee, Faculty Forum, and Degree Core Curriculum.

September 2006 to June 2010 – Affiliate Faculty (Part Time), School of Nursing – Indiana Wesleyan University, BSN completion program. Facilitated online BSN-completion program nursing courses: Nursing Theory for the Clinician, Research, Nursing Informatics, Perspectives in Poverty and Health, Seminar in Nursing Leadership, and Management in Nursing. Assisted with curricular development and change as needed. Served as faculty mentor for new adjunct faculty members.

August 2001 to June 2005 – Consultant – Crusader Clinic; Rockford, IL. Consultant to Crusader Clinic for all provider (physician, physician assistant, and nurse practitioner) documentation compliance programs. Provided consultations, reviewed patient charts for completeness, and audited charts for coding and documentation criteria per the AMA and HCFA requirements. Provided comprehensive one-on-one training sessions to physicians, physician assistants, and nurse practitioners after extensive review, and conducted quarterly provider meetings to provide education on process changes.

November 1999 to May 2001 – Medical Staff Performance Improvement Coordinator – Greene Memorial Hospital; Xenia, OH. Coordinated PI and QA activities for all departments of medical and nursing staff; developed PI indicators; performed all related monitoring activities for medical and nursing staff; performed extensive chart reviews for customer service complaints, incident reports, organization-wide screening tools, and Root Cause Analysis cases; conducted learning scenarios when applicable.

December 1998 to November 1999 – Practice Administrator – The Neurology Center of Southwestern Ohio; Centerville, OH. Supervised forty clinical (nurses and medical assistants) and administrative staff members; conducted operational maintenance for corporation of ten neurologists; technical computer coordinator for six office locations; responsible for all human resources and administrative staffing; coordinator for the national American Osteopathic Association Neurology and Psychiatry Boards (May 1998) oral and clinical examination; processed all accounts payable and receivable activity, and constructed budget appropriately; developed billing protocol for merged offices; developed marketing campaign for newly merged practices.

September 1996 to June 1998 – Quality Assurance Specialist – Healthcare Business Resources; Philadelphia, PA. Provided monthly reviews of thirty-two coding analysts for quality purposes; developed and presented monthly information and training meetings; provided on-going documentation seminars to emergency provider groups; performed routine documentation reviews for each physician, physician assistant, and nurse practitioner regarding appropriateness of coding decisions and strategies to achieve proper levels; conducted educational workshops involving CPT and ICD-9 coding to emergency providers and coding analysts; maintained currency in documentation guidelines by participating in AMA and HCFA workshops in Washington, D.C.; committee member for team responsible for development and implementation of check-box tool for achievement of documentation criteria.

May 1995 to September 1996; June 1998 to December 1998 – Lead Registered Nurse – Dayton Ear, Nose & Throat Surgeons; Dayton, OH. Provided monthly reviews for ten nursing staff members for quality purposes. Supervised all nurses in inhalant allergy division. Developed corporation protocol compendium for in-house research studies. Provided ongoing nursing care

for patients including pre- and post-operative treatment, allergy testing and treatment. Presented nutritional counseling to patients. Coordinated FDA-approved research program entitled “Enzyme Potentiated Desensitization” study, maintaining a ninety-member patient base; responsible for all associated paperwork, ICD-9 and CPT coding of process, medication administration, and patient education.

1993 To May 1995 – Registered Nurse; Third Party Billing Specialist – Wright Patterson Air Force Base; WPAFB, OH. Performed clinical and administrative duties for staff of twenty-one physicians and physician assistants. Provided military physical pre-requisite screenings and paperwork completion for active duty personnel. Delivered nursing care in Acute Care Services (Emergency Department, as well as Primary Care Clinic). Trained physicians and physician assistants in billing and coding protocol. Responsible for billing process for third party payers for Primary Care Clinic.

1985 to 1997 – Additional experience includes teaching as the primary instructor for music departments in high schools across Ohio and Kentucky. Instructed marching, symphonic, concert and jazz bands, show choirs, elementary and secondary choruses and choirs. Directed talent shows, musicals. Adjudicated for local and regional band competitions. Information available on request. Often held these positions in tandem with other positions.

2005-Present Sigma Theta Tau International
Honor Society of Nursing
Zeta Phi Chapter

1988 Phi Kappa Phi
Academic Honor Society
Morehead State University

New Courses and Programs Developed (Kettering College, unless otherwise indicated)

Summer 2015 **Rebar, C. & Cromar, K.**
Revised NRSA 355, The Role of the Professional Nurse in Health Promotion,
Online course.
Baccalaureate completion nursing program.

Winter 2015 **Rebar, C.**
Kettering College Board of Directors vote to accept BSN-to-DNP program
proposal. Program planned to have three tracks: Nurse Educator (implementation
target: Fall 2015); Nurse Practitioner (implementation target: Fall 2016); Certified
Registered Nurse Anesthetist (CRNA) (implementation target: Fall 2016).

Programs for BSN-to-DNP Nurse Educator and Nurse Practitioner designed to
allow for opt-out at MSN level, and opt-in at MSN level.

Fall 2014 **Rebar, C., Huber, L., Jauch, A., Good, T., Brammer, J. & Waker, C.**
Kettering College – Kettering Health Network partnership created with inception
of Dedicated Education Unit (DEU) (implementation target: Summer 2015).

Fall 2014 **Rebar, C. & Willis, L.**
Feasibility study and budget pro forma for BSN-to-DNP program completed.
Accepted and approved by Kettering College Board of Directors.

- Winter 2014** **Rebar, C.**
Initial proposal for BSN-to-DNP program submitted.
- Fall 2013** **Rebar, C.**
Revised PHAS 508, Evidence-Based Medicine, Hybrid course.
Master of Science, Physician Assistant Studies program.
- Fall 2009-2012** **Rebar, C. & Kettering College Division of Nursing Faculty**
Led and actively contributed to the development of new three-year prelicensure
Baccalaureate in Nursing (BSN) curriculum.
Baccalaureate in Nursing (prelicensure BSN) program.
Implemented Fall 2011 (pre-requisite year); then Fall 2012 (Nursing program)
- Summer 2011** **Rebar, C.**
Developed PHAS 508, Evidence-Based Medicine, Hybrid course.
Master of Science, Physician Assistant Studies program.
- Rebar, C.**
Revised NRSA 426, Nursing Informatics, Online course.
Baccalaureate completion nursing program.
- Fall 2010** **Rebar, C.**
Developed HEPR 415, Health Care Informatics for Health Care Professionals,
Online course.
Bachelor of Science in Health Sciences program.
- Fall 2010** **Rebar, C. & French, A.**
Revised HEPR 330 Community Health Perspectives key capstone project into
group-based experience, Hybrid Course.
Baccalaureate of Science, Health Professions program.
- Winter 2010** **Rebar, C.**
Led and actively contributed to BSN-completion program curriculum revision
based on need to streamline courses and program to meet current best
practices.
Baccalaureate completion nursing program.
Implemented Winter 2011
- 2008 and 2009** **Rebar, C.**
Participated in curricular revisions for Indiana Wesleyan University Online
nursing program: NUR 332 (Nursing Theory for the Clinician)
NUR350 (Seminar in Nursing Leadership), NUR365 (Ethics), NUR436
(Research).
RN-to-BSN online nursing program.
- Fall 2007** **Rebar, C. & French, A.**
Revised HEPR 330, Community Health Perspectives, into Online course
for all baccalaureate level health programs (nursing, radiology,
sonography, respiratory).
Bachelor of Science in Health Sciences program.
- Fall 2006** Gersch, C., **Rebar, C.**, & Parker, C.
Revised NRSA 345, Issues and Trends in Nursing, into Online course.
Baccalaureate completion nursing program.

- Fall 2006** **Rebar, C.**
Revised NUTR 118, Basic Nutrition, into Online course.
Associate Degree nursing program, and Physician Assistant program.
- Winter 2006** Gersch, C. (lead faculty) & **Rebar, C.**
Co-developed adjunct faculty handbook and training manual.
Associate Degree nursing program.
- Fall 2005** Gersch, C. (lead faculty) & **Rebar, C.**
Created and designed daily clinical experience plans for hospital post-operative
floor for NRSA 110 (Foundations of Nursing).
Associate Degree nursing program.
- Fall 2005** Gersch, C. (lead faculty) & **Rebar, C.**
Co-developed NRSA 110 (Foundations of Nursing), On-campus course.
Associate Degree nursing program.
