1. The Council reviewed the day's proceedings.

   T. Williams explained Springfield Regional Medical Center’s Student Nurse Apprenticeship Program (SNAP) which aims to employ nursing students in hopes of building RN employees who are more prepared than novices for employment and more ready for SRMC's ACE nurse residency program. T. Williams and E. Sorensen will further explore the concept after T. Williams gets feedback from the Ohio Board of Nursing. T. Williams will set up a meeting between E. Sorensen and SRMC chief nurse Sherry Nelson.

   W. Perry will make introductions between E. Sorensen and Brenda Kuhn, chief nurse at Kettering Health Network.

g) Announcements - none

h) T. Williams moved to adjourn at 2:27pm, seconded by S. Moeller.

The next meeting will be in October 2015.

Respectfully submitted,

Elizabeth Sorensen
