

Course Interests for Fall Semester*

After looking over the course schedule and on-line course descriptions, please list 8 to 10 courses you are interested in taking in the spring. For every course you choose, try to have at least one alternate course to put in its place. Think about how each course may contribute to your goals or match your interests.

Call #	Course No./ Section	Course Title	Day - Time
1111	ENGL-101E - ANY	Intro to Expository Writing	Try to spread your class schedule across the week.
