you **should** participate in the housing lottery.

Please contact Residence Life toward the end of the fall semester in order to secure a room for the spring semester.

*If you will be abroad for SPRING only –*

You **should** participate in the lottery and secure a room for the fall semester.

Please make sure your future roommate is aware of your spring plans.

# Housing Selection Process

## Step 1

Complete the Housing Intention Form & Housing Agreement - This activates you in our system

## Step 2

You receive your lottery number & selection time

## Step 3

Set up your group.

- Any student can send an invitation to another student but the invitation must be accepted to form a group.
- It is important to respond to invitations promptly.
- Students can only belong to one group at a time.
- You can only see options that match your group size and member eligibility.

Don't stress - -

You have plenty of time and we have are here to help

## Step 4

Select your housing.

The student with the first selection time in the group, should sign in and select preferred housing for group.

If the first person does not select, once the next best selection opens, that student can select.

Once a member of the group makes a selection, the group is done.

# Housing Selection Logic

Housing Selection is based on lottery numbers within class groupings.

For the purposes of the Housing Lottery:

Senior: 93+ credits	('Burbs or ResHall)
Junior: 60-92 credits	('Burbs or ResHall)
Sophomore: 32-59 credits	(ResHall)
Freshman: 31 or less credits	(ResHall)

Class grouping is based on

**Completed Credit Hours PLUS Currently Registered Spring Credit Hours**

# Housing Updates

- Ferncliff will be online and available for selection – it is the only residence hall with a full kitchen!
- Myers & Tower 11 will be offline; as will several 'Burbs properties.
- Continuation of Theme Living Communities.
- Changes in hall & gender designations.
- Continued access to singles (although limited availability)
- Gender Inclusive housing continues to be available throughout campus with an all-gender restroom designated on Polis 2.

**Look online & come to an Info Session for more info!**

# Fall in love with your housing....

Learn about your options.

Understand updates.

Communicate your needs.

Ask questions.

Meet deadlines.

Welcome Home. It's Good Here.

# What is Renewal?

Renewal is the process by which **current occupant(s)** wishing to return to their **current house or apartment** are given the opportunity to “renew” their housing agreement for the upcoming academic year.

- The Renewal Housing Lottery is completed prior to the General Lottery.
- **Houses / apartments not renewed by the current occupants during the renewal process will go into the General Housing Lottery.**

# Can I renew my housing for next year?

## Did you get an email notice?

Residence Life notified current occupants in houses not eligible for renewal.

- Properties can only be renewed a maximum of 2 times before it is either removed from the available inventory or placed back into the General Housing Lottery.
- Some properties eligible for renewal can be restricted due to facility, departmental, and university needs.

***Renewal can also be based on property treatment and conduct concerns.***

# How does the Renewal Lottery work?

## Renewal Lottery Opens March 24

1. Students organize into housing groups of 1-5 people according to the size of the unit they want to renew.
2. The first student who has renewal rights and logs onto the system automatically becomes the primary member of his or her renewal group.
3. This student then invites other eligible students to join the renewal group until the group is full.
4. Individual students accept or deny their membership and confirm their eligibility by removing any holds on their accounts.
5. The primary member confirms the desire of the group to live in the property.
  - The group may only select the property for which they have renewal rights.
  - Residents requesting renewal must be able to fill all beds in the space (no vacancies)
6. Students who fail to exercise renewal rights during the Renewal Lottery, must participate in the General Housing Lottery.

# What if I'm renewing but not signing up for Summer housing?

Students *not contracting their current property for Summer* need to plan:

To MOVE:               Begin making plans to remove belongings.  
Property must be vacated by **May 13<sup>th</sup> at noon.**

For MAIL:              Arrange to forward or change address services  
for mail with USPS **<https://www.usps.com/>**

To RETURN:           **Friday, August 26<sup>th</sup>** Fall 2022 Returning Student Move-in Begins  
*Individuals part of an approved early arrival group will be given  
separate move-in dates based on the group's approved arrival date.*

**Students not currently residing in their fall assignment are not eligible to live in  
or keep belongings in their fall assignment over the summer**

### Step 5

Review the option for  
Renter's Insurance & make your selection  
*All residents should make sure their personal  
property is covered. Participation in GradGuard  
is one option but is not required.*

Recommended: GradGuard™ College Renter's Insurance  
GradGuard  
What if you had to replace it all tomorrow?  
As outlined in your housing agreement, Westbury University does not assume any financial responsibility for the personal property of students. We strongly recommend that all students obtain renters insurance prior to move-in. There are some exceptions to which renters insurance can help.  
• You have your laptop in the library and someone stole it from you. It's not just a laptop, it's your work.  
• You return to the residence hall after class, to find that someone accidentally poured coffee on your first-year book bag and ruined it.  
• You accidentally bring your coffee in the kitchen and then someone leaves your stuff and the belongings of other students in your room.  
We have partnered with GradGuard, a leading provider of College Renter's Insurance that is specifically designed for students. For about \$1 per month, GradGuard can protect you and the contents of your room and more.  
We have previously indicated that you are not interested in GradGuard Renter's Insurance.  
Please continue with the application this time.  
☒ I am interested in reading the GradGuard College Renter's Insurance plan.  
☐ I decline coverage and do not wish to receive Renter's Insurance protection. By checking this box, I understand that I am accepting full responsibility for the replacement property and any damage caused to myself or other property belonging to others which is not covered by Westbury University or GradGuard.  
By selecting your interest in the GradGuard program, you are granting your higher education institution to share your name and email address with GradGuard. GradGuard reserves the right to contact you regarding insurance coverage, benefits, or claims and coverage information policy, coverage, and services. GradGuard™ is a service of Westbury Insurance Group, Inc. the National Insurance Agency for Student Insurance Company.
