Award Winning Professors and Your Partner Every Step of the Way

*Top 4 places to head for support
during your Witt journey:*

Choosing Witt means choosing to be a name, not a number. Yes, we offer over 60 academic and pre-professional programs (see the back cover) and hundreds of real-world experiences each year. But what we do best is put you in conversation with professors who take advising to heart. As you talk to faculty and staff about everything from picking classes to defining your life's purpose, you'll find yourself forging priceless bonds with thoughtful humans who are as invested in your growth as you are.

COMPASS: Sweet Success Center:

Stop here first to find campus resources and your Success Advisor, an expert dedicated to helping you navigate your Witt experience.

Writing Center: Improve every type of writing, at any stage of the process.

Oral Communication Center: Work on presentation prep and speaking-related skills with an expert.

Math Workshop: Increase your understanding of math, physics, chem, econ, stats, comp sci, accounting, or education.

Hands-on learning is a priority at Witt. Students in the highly sought-after **nursing** program practice in the lab before heading out to local health centers. Education majors and minors get to work in area public schools in their first year.

Connections Curriculum

On the Wittenberg Way, our Connections Curriculum combines a breadth of coursework across the arts and sciences, depth of study in a major, and experiences that allow you to test out different careers, explore new-to-you options, and connect with professionals who can light your way.

12:1 student-faculty ratio

"On the Wittenberg Way, you will discern your calling, develop the knowledge and skills needed for a successful career, and prepare for a purposeful and fulfilling life."

Wittenberg President*

Mind-Broadening Experiences on the Way to Adventure

We believe the best place to learn about the world is in it. Whether that means practicing servant-leadership in downtown Springfield or working as an intern overseas, ways abound to experience different cultures and careers firsthand. Through field work, study away, and civic engagement, you can put ideas into action, build your resume, and live out the Witt motto: "Having light we pass it on to others."

Introducing FIRE Week

In addition to our own semester-long programs in Germany, Costa Rica, and Washington, D.C., we offer **off-campus experiences** during the spring semester.

Topics range from shipwrecks in the Great Lakes to tech startups in Texas to water rights in Coachella Valley, California.

Lived Experience in the Heart of Ohio

The city of Springfield is woven into the student experience at Witt. Through the Susan Hirt Hagen Center for Civic and Urban Engagement, students have served families and children in places like Second Harvest food bank and the YMCA. Students in environmental science have reduced erosion along Buck Creek, and bio majors have collected data to get spotted turtles EPA protection. You'll learn how to advance the common good here.

*Hours of community service

Working with local nonprofit partners, the students involved in our **paid Summer Internship Program** boost their confidence in their ability to effect change.

Countless Ways to Shine Your Creative Light

The more actively involved you get at Witt, the more Witt gives back. Turn a sketch into a gallery show or a script into a staged play. Join, run, and start clubs and organizations. From Student Senate to Mock Trial to Witt Invest, we invite you to show up and shine. The rewards? Friendship, confidence, leadership experience, artistic achievement, recognition, and a sense of belonging.

Visualize Your P.O.V.

Digital and computer imaging, ceramics, drawing, graphic design, painting, photography, sculpture, and silver jewelry are all avenues of creative expression at Witt. Take an intro-level class or complete a major, developing your artistic talent, skill, and perspective in work that you'll show in the **Senior Art Exhibition**.

theatre & dance productions per year: 7

Theatre and dance students have numerous opportunities to hone their craft by being involved in main-stage and dance productions.

Public talks, theatre productions, dance concerts, art shows, and cultural festivals enliven the campus and the greater community.

Students practice different styles of leadership at Witt, from the democratic ways of orgs like the Panhellenic Council to the humble and protective approach of the servant-leaders who foster dogs with **4Paws For Ability**.

Tiger Stripes and Smashing School Spirit

Witt sets many stages for stunning displays of teamwork and Tiger pride. We rally behind our athletic teams indoors and out, cheering for the "W." We gather with the same awesome energy for WittFest, our student-organized spring concert. From Code Red Games to Commencement, our student community comes together. Homecoming keeps us coming back.

*With a name inspired by our first president, Ezra Keller, our first-in-class mascot **Ezry the Tiger** is the absolute cuddliest embodiment of Witt's history and fighting spirit.*

W Day

Witt Traditions

Sport red and white to the Homecoming Game. Sing along with the headliners at WittFest. Hear "Silent Night" by candlelight during Lessons and Carols. Rejoice at the surprise kick-off of W-Day, and catch the sunrise with your senior class from the steps of Myers Hall. Witt culture lays down lasting memories.

On the Wittenberg Way **Independence Grows**

What makes living at Witt so special is the people: the welcoming community, the roommates who become fast friends, the RAs who guide neighbors from 30 states and 10 countries to find common ground. Living here is a once-in-a-lifetime chance to navigate relationships with diverse personalities, which, besides being a whole lot of fun, is true preparation for life.

The Hollow

Paving The Path

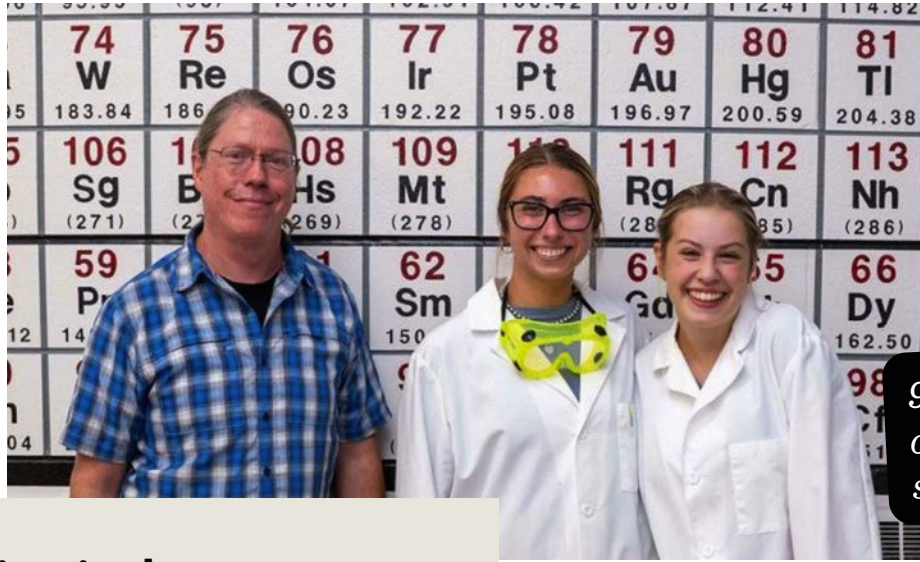

Their dreams vary widely, but what Witt students have in common is the desire to lead lives that both fulfill them and benefit others. Launched ahead by their own hard work and support from faculty, staff, and friends, our alumni are on missions as teachers, nurses, physicists, lawyers, judges, project managers, and pediatric neurologists, startup founders, and COOs. Because they remember what Witt did for them, they make a point of passing on their light to students like you.

The Wittenberg Way

We aim to open your mind to discern your path. How? By offering internships, service experiences, and majors that lead to careers, access to faculty and staff dedicated to your success, and connections to a powerful alumni network in person and online. We know we've lived our mission when students graduate into dream jobs, life-changing volunteer and fellowship opportunities, and the graduate or professional schools of their choice.

Scholarship & Aid Opportunities

Merit Scholarships

Wittenberg assigns merit awards at the time of admission based on your overall GPA or optional SAT or ACT test score. These awards are renewable for four years so long as you maintain Satisfactory Academic Progress and enroll as a full-time undergraduate student.

Special Interest & Fine Arts Awards

Students may also earn either one Special Interest Scholarship, for work in areas such as leadership and civic engagement, or one Fine Arts Scholarship. These are renewable awards.

First Year Research Awards

Students selected for the highly competitive First Year Research awards will work closely with a faculty member while pursuing exciting research opportunities right from the start of their time at Wittenberg.

Need-Based Financial Aid

We encourage you to file a FAFSA each year before the priority deadline of February 15 to be considered for need-based funding. Our FAFSA code is 003143.

3 great reasons to file the FAFSA

1. Strong aid packages: Students who file the FAFSA typically receive more financial assistance from Wittenberg than those who choose not to file.

2. Most income ranges qualify: By filing the FAFSA, you can access grants, scholarships, work-study programs, and low-interest loans, regardless of your family's income, ensuring you have the financial support to pursue your educational dreams.

3. It's free, as always, and faster than ever: File online via studentaid.gov and use the IRS Data Retrieval tool to upload your federal tax information. You'll save time and effort!

2026-2027 First Year Merit Scholarship Awards*

Take a Trip to Witt for your \$5,000 Visit Scholarship!

Students who visit campus through the Office of Admission for either a campus tour or an event before January 1, 2026, will be eligible to earn a Visit Scholarship of \$1,250 a year for four years for a total of \$5,000. This is a stackable award and can be combined with other scholarships.

Stackable Scholarship Opportunities

These scholarships can be stacked on top of other awards, as noted below. They are awarded at the time of admission based on information received in your admission materials.

*Students can only receive one of these awards.

Sibling/Legacy Recognition (\$1,250/year for \$5,000 total):

For admitted students whose sibling or step-sibling is a currently enrolled undergraduate degree-seeking student, or graduated from Wittenberg, or have a parent, grandparent or step-parent who is a Wittenberg alumni.*

Lutheran Promise Scholarship (\$1,250/year for \$5,000 total): For admitted students who are active members in a Lutheran church. *Information regarding church membership must be included in your admission application.**

Referral Scholarship (\$1,250/year for \$5,000 total): For admitted students who are referred by a Wittenberg alum before January 1.*

Valedictorian/Salutatorian Recognition Scholarship (\$1,250/year for \$5,000 total): For admitted students who are ranked one or two in their class or named Valedictorian or Salutatorian of their graduating class at the time of admission. *Determination is based on high school transcript.*

PTK Transfer Award (\$2,000/year for \$8,000 total): Phi Theta Kappa members can receive this award in addition to receiving one of the three stackable scholarships listed above, as well as the stackable Visit Award.

Students can also stack one of these on top of their other scholarships.

Wittenberg's Nondiscrimination Policy

As an institution that values the dignity of all, the University adheres to all federal and state civil rights laws banning discrimination in private institutions of higher education. Wittenberg University does not discriminate on the basis of age, race, color, creed, religion, ancestry, national or ethnic origin, sex/gender, sexual orientation, gender identity, disability, genetic information, military status, veteran status, familial status or any other protected category under applicable local, state or federal law, ordinance or regulation. This includes protections for those opposing discrimination or participating in any complaint process on campus or within the Equal Employment Opportunity Commission, Ohio Civil Rights Commission or other human rights agencies, as well as in the planning and administration of its admissions policies, educational programs, scholarships, loans, and other financial aid, athletic and other school-administered programs, services, and activities, or in employment. www.wittenberg.edu/nondiscrimination-notice
