A Celebration of Learning

April 6, 2018

WELCOME MESSAGE

On behalf of the Wittenberg Community, we welcome you to Wittenberg’s sixth annual Liberal Arts in Action: A Celebration of Learning. This is a day dedicated to celebrating student achievement. As you will see, there are almost 150 students presenting their work and experiences throughout the day.

Students participating in the Celebration of Learning are supported by their departments as they showcase their work. They represent the very best that Wittenberg has to offer. We congratulate them on being selected and want to pass on our thanks for their hard work and participation in the program.

Special thanks to all the faculty chairs of the Celebration of Learning panels and the announcers who introduced the performing arts and TED Talks presenters. We would also like to thank McKenzi Sinclair, Student Coordinator for the Celebration of Learning, for her invaluable assistance, as well as Elizabeth Howe, Cathie Kuss, Mary Lasits, and Jon Duraj, and the Liberal Arts in Action Committee for their help and participation in the Celebration of Learning. We extend gratitude toward Vanessa Orduna Zarazua and Cameron Dobrotka for their contributions in making this an exceptional day for the Wittenberg Community.

We invite you to join us in celebrating our students’ achievements!

Cordially,
Amy Livingstone, History and Director of the University Honors Program
Cherie Rebar, Nursing
