

Graduate Programs in Molecular Cellular and Biochemical Pharmacology

MS Thesis and Non-Thesis Programs

(<http://med.uc.edu/ms-in-pharmacology>)

- Gain hands-on training with expert UC and Cincinnati Children's faculty.
- Connect with guest speakers from our drug industry partners: Eli Lilly, Covance, Battelle, Johnson & Johnson.
- Prepare for future academic programs (MD, PhD) with degree completion in just one year (non-thesis).

Application deadline for graduate programs

MS Program submission deadlines:

Domestic applications: June 1

International applications: March 1

PhD Program submission deadline: February 1
