Strengthen families through interactive, research-based activities.
Assist FAST staff in planning and facilitation of activities for elementary aged children. Administrative support and program planning.

Equips gifted and talented students with skills to function at their highest potential. Assist students and teachers with a variety of education-based needs.

Serves the diverse Clark County community of girls, enabling them to reach their full potential. Help run Girl Scout programs at local school/non-profits. Assist with membership and marketing projects. Background check required.

Provides the community with a 1,000 acre nature preserve with 25 miles of trails. The ecology institute conducts education, research, stewardship and outreach. Serve as docents at Trailside Museum, maintain and monitor trails, and build non-profit administrative skills.

Provides a safe and nurturing learning environment where students (grades 7-8) can reach their goals, dreams, and aspirations. Assist in classroom, tutor students, and get involved with extracurricular activities, such as East Asian club, student council, chess club, and Builder's Club.

Provides learning for pre-school/children (ages 3-5) and their families, provides leadership in programming, and be advocates for those we serve. Assist teachers with structured and free time activities. Background check required- $24.00 cost. (This fee can be waived if you've had a recent background check)

Seeks to help individuals and families overcome homelessness.

Prepares children to be workforce ready with a focus on economics. Teach fun, hands-on programs about business and careers at our local schools (training provided) for grades K-12. Sorting supplies, recycling and clerical duties.

Creates safe, positive experiences by providing quality parks, facilities, services and programs for our community. Opportunities as program assistants, sport program assistants, officiating sports teams, assisting with recreational programs and activities. Programming and marketing support including social media and graphic design.

Addresses the community's needs by selling consignment/donated items and the profits benefit women and children in Clark County. Opportunity to work in merchandising and marketing at the intake and distribution level.

Serves children and adolescents (ages 6-18) with emotional and behavioral needs. Encourage the growth of youth's mental, social, physical, and spiritual well-being. Work with clients and therapists, assist with agency support services, provide an extra set of eyes, ears, and hands on the transportation van.

Serves youth or adults who are at-risk by instilling positive principles and work ethic in a rural setting. Mentor, tutor, and be a positive role model to youth. Be ready to work in a farm setting, help with animals, and to get dirty. Assist adults with developmental disabilities through farming tasks, crafts, and games.

Provides services designated to eliminate poverty, unemployment and illiteracy. Assist with office tasks, tutoring in alternative high school, program development, and computer maintenance/training.

Serves women experiencing unplanned pregnancy by providing faith-based, free and confidential medical services, peer counseling, education, material services and support. With training, may facilitate client peer counseling visits; without training, may assist with administrative and organizational tasks. Social media assistance- Facebook, Twitter, etc.

Self-Design Proposal  
Do you have an interest in completing your service with a site that is not on this Opportunities List? Do you need our assistance finding a service experience in the local community that is not on the Opportunities List? Just ask. We receive requests for assistance on a regular basis that could be considered as self-design experiences. Students interested in completing service at a site not on the Opportunities List must submit a Self-Design proposal to the Director of Community Service for approval. One expectation of the CMSV 100 experience is for students to serve in the Greater Springfield community and the Director will take this into consideration when reviewing the proposal. The experience must also meet the guidelines for CMSV 100 and allow the student to achieve the desired outcomes of CMSV 100.  
Proposals must be submitted by the Friday of the 4th week of the semester or prior to starting the service.

Service Immersion Trips  
If a Wittenberg organization/department wants to have a spring break service immersion trip count for the requirement, then they must submit a CMSV 100 Service Immersion proposal to the Director of Community Service by October 9th. Spring Break Service Immersion Information Meeting for students: October 26th at 7pm, 201 SH

For more information:  
Please contact us at [937] 327-7523, e-mail us at weserve@wittenberg.edu, visit our website at www.wittenberg.edu/communityservice or stop by Community Service, Hagen Center, 723 N. Fountain Avenue.

The Community Service program provides students with opportunities to serve, to connect with the greater Springfield community, and to reflect on the service experience to better understand themselves, community needs, and their responsibility in advancing the common good.  
SERVE. CONNECT. REFLECT
