Teens work with mentors – professional artists, writers, and media makers – to become makers, creators, and producers. Assist teens in projects such as graphic design, audio and video creation and production, photography, 3D printing, computer science, STEM, and art. Complete administrative tasks, create marketing materials, analyze program data, assist with special events (showcases), design and implement workshops.
Self-Design Proposal
Do you have an interest in completing your service with a site that is not on this Opportunities List? Students interested in completing service at a site not on the Opportunities List must submit a Self-Design proposal to the Director of Community Service for approval. One expectation of the CMSV 100 experience is for students to serve in the Greater Springfield community, and the Director will take this into consideration when reviewing the proposal. The experience must also meet the guidelines for CMSV 100 and allow the student to achieve the desired outcomes of CMSV 100. The self-design proposal deadline is Friday, June 3rd or prior to starting the service, whichever comes first.

For more information:
Please contact us at [937] 327-7523, e-mail us at weserve@wittenberg.edu, visit our website at www.wittenberg.edu/communityservice or stop by Community Service, Hagen Center, 723 N. Fountain Avenue.

The Community Service program provides students with opportunities to serve, to connect with the greater Springfield community, and to reflect on the service experience to better understand themselves, community needs, and their responsibility in advancing the common good.
