

### **LiveHealth Online Psychology:** See a psychologist or therapist at home in as soon as just a few days

#### It's quick, easy and private

If you're feeling stressed, worried or having a tough time, you may need someone to speak with. Now, you can see a licensed therapist using LiveHealth Online Psychology. Talk with a therapist from your home or wherever you have Internet access. Just download the free LiveHealth Online app to your mobile device or visit **livehealthonline.com** on a computer with a webcam.

#### Make your first appointment – when it's easy for you

For your first visit, set up a time by going online, using the mobile app or calling LiveHealth Online:

- Online: Visit livehealthonline.com and sign up or log in. Once you've logged in, select LiveHealth Online Psychology. Next, choose from available therapists after seeing their backgrounds and set up a visit.
- Mobile app: Download the free LiveHealth Online mobile app and then sign up or log in. Once you've logged in, choose LiveHealth Online Psychology. Next, select from available therapists after checking out their qualifications and arrange a visit.
- Phone: Call 1-844-784-8409 from 7 a.m. to 11 p.m. ET or PT.

In most cases, you can make an appointment to see a therapist within four days or less.\* This may be sooner than waiting for an office visit. LiveHealth Online will send you an email confirming your appointment. Psychologists and therapists using LiveHealth Online Psychology do not prescribe medications.

#### Your first visit

You'll see your cost before the visit starts — depending on your coverage, the cost may be the same as what you would pay for an office visit, considering your benefits, copay or coinsurance. You can pay your share of the visit using a Visa, MasterCard, Discover or American Express credit or debit card. Visits usually last about 45 minutes. At the end of your first visit, you can set up future visits with the therapist if both of you feel it's a good fit. You will always have a choice of the therapist you would like to see.

## Therapists using LiveHealth Online Psychology can help you with these types of conditions

- Stress
- Anxiety
- Depression
- Relationship or family issues
- Grief
- Panic attacks
- Stress from coping with a sickness

In most cases, you can make an appointment to see a therapist within four days or less.\* LiveHealth Online will send you an email confirming your appointment. Psychologists or therapists using LiveHealth Online cannot prescribe medications.

#### Q. How do I set up a follow-up appointment?

A: At the end of your first visit, you can set up a future visit with the therapist if both of you feel it's needed. You always have a choice of the therapist you would like to see.

#### Q. What types of conditions can be treated when you have an online visit with a psychologist or therapist using LiveHealth Online?

• Grief

• Panic attacks

• Stress from coping with a sickness

A: You can get help for these types of conditions:

- Anxiety

• Stress

- Depression
- Relationship or family issues

#### Q. How long does a visit usually last?

A: A typical visit with a psychologist or therapist using LiveHealth Online Psychology is about 45 minutes.

#### Q. How much does a telehealth visit using LiveHealth **Online cost?**

A: Depending on your coverage, the cost may be similar to what you would pay for an office visit, considering benefits, copay or coinsurance. You can pay your share of the visit by using a Visa, MasterCard, Discover or American Express credit or debit card. You'll see what you owe before you start a visit and any cost is charged to your credit card. The cost is the same no matter when you have the visit - whether it's a weekday, the weekend, evening or a holiday.

### Q. How do I know if a psychologist or therapist is in-network?

A: When you log into livehealthonline.com, the providers you see on the website are part of the Anthem Blue Cross and Blue Shield provider network. Make sure you select the state where you currently are located to view the most upto-date list of providers.

#### Q. Do children need to have their own account to use LiveHealth Online Psychology?

A: No, they do not have to have their own account. A parent or guardian can setup an account and include the child within their account. To schedule a therapy visit for a child just sign up or log in and select LiveHealth Online Psychology for Teens then select the provider the child would like to meet with. Next select who the visit is for to schedule the visit.

Online counseling is not appropriate for all kinds of problems. If you are in crisis or have suicidal thoughts, it's important that you seek help immediately. Please call 1-800-273-8255 (National Suicide Prevention Lifeline) or 911 and ask for help. If your issue is an emergency, call 911 or go to your nearest emergency room. LiveHealth Online does not offer emergency services.

\*Appointments subject to availability of a therapist
