2021 Contribution Amount

Your contribution amount will be divided over 12 pays or 26 pays per your payroll status (monthly or bi-weekly). The 2021 contribution amount cannot exceed the IRS limit of \$3,600 for employee only coverage and \$7,200 for all other coverage levels. Employees age 55 or over may contribute an additional \$1,000 HSA catch-up contribution above the IRS limits. The employer contribution (\$650 for single coverage level and \$1,300 for all other coverage levels) *does* count toward the IRS limit; so your employee contribution + the employer contribution cannot exceed the IRS contribution limit.

I request the following amount to be deducted pre-tax:	IRS Contribution Limit (includes Employee + Employer contributions)	Employee <i>Annual</i> Contribution Election (will be divided by 12 or 26 per payroll status)
HSA Medical Single Coverage	\$3,600	
HSA Medical Family Coverage	\$7,200	
HSA Catch-Up Contribution (age 55)	\$1,000

- **Medicare eligible employees: The [HSA & Medicare Status](#) form must be printed, signed & returned to HR with this enrollment form.**
