Fall Cohort to Next Term Persistence Rate (Percent)

Note: Percent of students that were enrolled in their first, fall term and are still enrolled in the next full academic term. Take note of the range of the scale on the left axis designed to show the difference.

Fall Cohort to Next Fall Retention Rate (Percent)

Note: Percent of students that were enrolled in their first, fall term and are still enrolled in the next full fall term. Take note of the range of the scale on the left axis designed to show the difference.

Overall Persistence Rate by Cohort and Term (Percent)

Note: Percent of students enrolled in their first, fall term and who were still enrolled in the subsequent terms.
1st-2nd Year Retention by Gender

- **Female**: 84.0% (5-YR 81%) 74.1% (5-YR 73%)
- **Male**: 80.4% 69.3%

1st-2nd Year Retention by Ethnicity

- **African American/Black**: 59% (30/51) 73% (19/26)
- **Hispanic**: 57.3% 75.6%
- **Other Minority**: 77% (13/43) 75.6%
- **White**: 78% (307/396)

1st-2nd Year Retention by EFC Quartile

- **25th and below**: 62.5%
- **26th-50th**: 65.8%
- **51st-75th**: 74.4%
- **76th and above**: 80.4% 84.0% 86.2% 83.5% 81.5%

Note: Percent of students in the fall cohort who were retained in the second fall semester by Gender. For the 2013 and 2014 Fall Cohorts, females were retained at a significantly higher rate than males. Females account for roughly 60% of the total in

Note: Percent of students in the fall cohort who were retained in the second fall semester by ethnicity. Other Minority includes: Native American, Asian, Non-Resident, Two or More, Unknown. There are statistically significant differences among the ethnic groups.

Note: Percent of students from a fall cohort that was retained to the second fall by Estimated Family Contribution (EFC) Quartile. There were significant differences among the EFC Quartile retention rates for each of the fall cohorts shown.
1st-2nd Year Retention by Academic Rank

Year to Year Retention by Remaining Cohort Students

1st-2nd Year Retention by NTFR Quartile

---

Note: Percent of students in the fall cohort who were retained in the second fall semester by academic rank.

Note: Percent of students from a fall cohort that was retained from year to year. Second to third year percent from those that were retained first to second year. Third to fourth year percent from those that were retained.
