

**STUDENT PETITION TO HAVE TRANSFER CREDITS COUNTED TOWARD
PARTIAL FULFILLMENT OF THE GENERAL EDUCATION REQUIREMENTS**

(Note: This petition must be filed within 30 days of your return to campus after the course has been completed)

Name: _____ Degree year: _____ Date: _____
(please print)

ID #: _____ Box #: _____ Local Phone: _____

E-mail: _____

Title and course number of course taken at other institution: _____

Number of credits received for course: _____ Type of Credit: (please circle) quarter hours semester hours

Institution where course was taken: _____

Date upon which course was completed: _____

I request that this course be considered as fulfilling either in part or in full the requirement for the following learning goal (please check the appropriate box):

The Natural World (N) or The Natural World with Lab (B) minimum of 20 hour contact time in laboratory.
Learning Goal: The student should gain an understanding of the natural world through scientific inquiry and see the relations among science, technology, and contemporary culture.

Social Institutions, Processes, and Behaviors (S)
Learning Goal: The student should achieve, through empirical and analytical methods, an understanding of human behavior, relationships, or institutions.

Fine, Performing, and Literary Arts (A)
Learning Goal: The student should gain an understanding of aesthetic experience and of how the arts enrich and express the human spirit.

Religious and Philosophical Inquiry (R)
Learning Goal: The student should gain an understanding of how central questions of reality, knowledge, and value are pursued in religious and/or philosophical traditions.

Western Historical Perspectives (H)
Learning Goal: The student should gain an understanding of the histories of the peoples and cultures of Europe and/or of the post-Columbian Americas.

Non-Western Cultures (C)
Learning Goal: The student should gain an understanding of the diversity of non-Western cultures through a study of the history, institutions, or traditions of one or more of these cultures. (Please note: Europe and the post-Columbian Americas are considered Western.)

You must submit with this form the catalogue course description or syllabus along with a 250-word statement addressing the following:

- 1. How did the course help you achieve the learning goal for which you are seeking approval?**
- 2. If you are applying for S, A, R, H, or C credit, how did the course help you appreciate and understand the role of human diversity in contemporary culture?**
