 - Tape of any kind should never be used to hang decorations as it almost always causes damage.
 - Always test what you want to hang and please remember that changes in temperature and humidity cause adhesives and clings to react differently over time. Any damage to the room is the student's responsibility.
- Nothing may be hung from the ceiling or suspended from the lights. Flammable decorations (live Christmas trees, straw, hay, dried leave, etc.) are NOT permitted.
- Any decorations on the exterior/public facing surfaces of your space are appropriate for public display within our campus and local community.
