

# Directions to New Hall

Move-In Traffic Flow for **Thursday, August 26, 2021**

By appointment – sign up at <http://housing.wittenberg.edu>

★ Student Development & Residence Life Office - 101 Shouplin Hall

Please follow the arrival route to check-in to ensure a smooth flow of traffic.

Follow posted signs and staff directions to the unloading areas. At the unloading area, the student should go to their hall check-in station with their photo ID to complete their check-in and pick up their key. While the student is checking in, their move-in helpers can unload their vehicle on the curb and the Wittenberg move-in volunteers will be carrying items up to the student's room.

After the vehicle is unloaded, please follow the departure route to move your vehicle to a holding lot to make room for the next student moving in.
