Changes we can consider now?

Strategic issues presentation ends Tuesday 6pm. Survey closes Friday.

Jane's recommendations for next steps:

Five goals not four

October: Process feedback, identify strategic goals/areas for research, UPC divides into working groups with research support from her graduate students, start drafting 7 Column Plan: 1) Strategic Goal, 2) Objective, 3) Strategy/Tactic, 4) Outcome/Metric, 5) Integration (with budget process and unit plans), 6) Implementation, 7) Monitoring/Updating

November: Research continues through the month; early Nov., another working dinner to discuss draft of 7 Column Plan; middle of the month, share draft with campus

December: Revise plan, with focus on integration, implementation, monitoring; mid-December, share revised plan with campus?

January: Incorporate feedback, final revision of plan

February: Present full strategic plan to Board of Directors
