If your son or daughter is an international student or is required by a coach to stay on campus at any time during a break period for athletics, please see the information below:

1) International students requesting break housing and authorized athletes who live in a break hall (Polis, New Hall and Tower) will be allowed to reside in their own rooms and will be issued a break key for access to their hall.

2) Authorized athletes who live in Woodlawn, Firestine, Ferncliff or Myers Hall will work with their coach to stay with teammates in a break hall or student rental house or apartment. Access to these halls is not allowed at any time during the break period.

Thank you for your help and cooperation!
