

# Wittenberg University Club Sports and Recreation Organization Travel Agreement

2018-19

## Member Participation Agreement

I, \_\_\_\_\_, hereby agree to fulfill all of the terms and conditions listed below as a member of a club sport or recreation organization during the 2018-2019 academic year. This includes general participation in the organization, including travel on behalf of the organization.

I understand that as a student of Wittenberg University, I represent the institution as well as my organization. As such, I understand that my actions and attitudes on and off campus will positively or negatively affect peoples' opinions about not only myself, but also my organization, and the institution.

I further understand that any funds we are provided come from the students of Wittenberg University via the Student Activity Fee. These funds will allow me to participate in my organization. I will benefit from full participation and my peers will benefit through my experience in participating in my organization.

I will attend and actively participate in all aspects of any event that I am scheduled to for the duration of my organizations' travel. I agree that during any travel where I will stay in a hotel I will not leave the hotel or the group without telling an officer where, why, and with whom I am leaving. I promise that all my actions during this entire experience will reflect positively on my organization, my institution, and myself.

As a member of my organization, I will engage in behaviors, which are responsible, mature, and professional. Intoxication, use of illegal substances, and disruptive, abusive, or inappropriate behavior may result in breaking of tournament, hotel, or institutional rules and/or policies and will result in immediate suspension from the team and removal from the tournament. I understand that if I decide not to attend or am sent home from a travel event I:

- Will accept my suspension from the team;
- Agree to personally pay for any and all costs associated with the tournament, including any additional expenses incurred by my dismissal such as transportation. This includes registration, travel, hotel, meals, and any other expenses that may have been incurred on my behalf;
- Will submit a letter detailing my actions and apologizing to my teammates, the Dean of Students, the University President, and anyone else that was directly impacted by my actions;
- Understand that I will be referred to the Dean of Students for any violations of the Wittenberg Student Code of Conduct, the Ohio Revised Code, and/or laws of the tournament's host state.
