Subject of Report	Date Subject Charged	General Description of the violation (s)	Finding (s) resulting from the investigation by the institution	Sanctions	Date Resolved
Individual	1/24/2023	Hazing Failure to Separate	Responsible Responsible	Research Paper Warning	1/30/2024
Football Team	2/24/2023	Hazing Alcohol – Safe Social Host Policy Disruptive and Disorderly Behavior	Responsible Responsible Responsible	<p>The Football Team will be placed on disciplinary probation until December 15, 2023. In addition, team leaders will develop team programming that will assist with team connection and bonding goals. The team will identify a series of bonding activities that are accessible and allow for genuine connection to the team and with one another. These events should include team events and ways the team utilizes existing campus events to foster connection. Team leaders should utilize coaches and dean's office staff to guide.</p> <ol style="list-style-type: none"> 1. Host two team building events by May 3, 2023. One with just the team as a bonding experience and one in conjunction with another event on campus to help the team bond with each other and the campus community. 2. Identify a plan to host four teambuilder/connection events each year. <p>Team leaders will work with coaching staff to identify ways the program can use service as both a tool to give back and to foster connection with the program. The team will identify and propose to coaches, ideas for recurring/annual service events that can also serve as teambuilding.</p>	2/24/2023
